

WOMEN'S CLINIC

4360 Montebello Dr • Suite 900 • Colorado Springs CO • 80918 • 719.388.1594

Volunteer Counselor

Mission Statement & Belief

Dream Centers Colorado Springs exists to provide health and hope for people in the Pikes Peak Region who are working to rebuild their dreams. We believe lives are transformed when we serve the whole person, which means meeting basic needs, providing people with effective health care, offering opportunities to learn and access life skills training, and providing a safe haven that supports our clients designing their lives anew. Our values, both core and aspirational, guide our work every day.

Position Title: Licensed Counselor

Reports To: Clinic Director & Operations Director

Position Overview

Provide exceptional behavioral healthcare to women in the community ages 13-64. Consult with patients and help them recover from trauma or difficult situations through treatment plans. Our desire is to show the love of Christ through empathy, compassion, and dignity for every person who comes to us for treatment.

Qualifications

Qualified individuals will possess a master's degree in psychology or counseling and be licensed by the State of Colorado (exceptions may apply if military status). Graduation from a CACREP accredited program required.

Requirements

- Dream Centers Volunteer Application process
- Background check through Sterling Volunteers
- Certificate of liability insurance

Personal Character

Caring and compassionate, flexible, committed, excellent communication skills. Follower of Jesus, comfortable with our holistic approach to health including physical, emotional, mental, and spiritual care.

Duties & Responsibilities

- **Knowledge:** basic counseling
- **Specific Skills:** evaluate clients, develop treatment plans and help clients reach personal goals as needed.
- **Abilities:** able to learn and utilize EHR according to clinic protocols

Dream Centers Support

Orientation, EHR training, and task supervision will be provided by Dream Centers Women's Clinic staff.

Time Commitment

Minimum of two one hour shifts each week, please contact Clinic staff to discuss current needs.
