

WOMEN'S CLINIC

4360 Montebello Dr, Suite 900, Colorado Springs, CO 80918

Who We Are

Our vision is to provide God-honoring healing places where no willing person is turned away. At the Women's Clinic we provide free women's health care in a beautiful setting to those aged 13-64 which may also include prayer, counseling, medical massage, physical therapy, chiropractic, nutritional counseling, and resource advocacy to those who are uninsured or underinsured. Learn more about us at www.dreamcenters.com.

What You Will Gain

You will receive clinical and psychiatric oversight from Licensed Professional Counselor Supervisors, a LCSW for MSW program students and have access to a Psychiatrist. You will become an integral part of our clinic and volunteer staff, gain experience in providing exceptional mental health care, learn digital file management through Athena (EHR), and develop mutually beneficial relationships with others serving in counseling internships. After establishing on site clients, access to telehealth appointments may be explored.

Physical Location

Women's Clinic
4360 Montebello Dr Suite 900
Colorado Springs, CO 80918

Interest Form & Process

If you would like to explore doing your counseling practicum or internship with us, please complete this [Counseling Internship Interest form](#). This will initiate an interview. If we are a good fit for you, we will walk you through our vetting process which includes a volunteer application, references, and background check.
